Does your church have someone who is interested in working with international students or multicultural groups? This includes Hispanic, Korean, or other language groups as well as different ethnicities such as Slavic or Romanian. WMU NC has a Multicultural Consultant available to offer assistance as needed and to help your church identify different ways to incorporate multicultural work in your missions and ministries.

Instructions for completing 2010 -2011 WMU NC Church Leadership Form

People in your church who hold WMU leadership positions will receive *Tarheel Talk*, a quarterly news magazine, and other information/registration materials that pertain to their leadership position. It is important for you provide us with complete, accurate addresses, phone numbers and **most importantly** an email address. Please PRINT or TYPE the information requested for each leadership position. Contact Judy Branch at 1-866-210-8602 ext 202 or jbranch@wmunc.org if you have questions regarding this form.

1. List the names of the persons who will serve in leadership positions during the 2010 -2011 year. Please attach an additional page if you have more leaders than space is provided. Descriptions for the position titles can be found in *How to Involve Your Church in Missions* on pages 25-34 and 38-46 (available from national WMU for \$9.99; 800-968-7301). Codes in parentheses are for office use only.
2. Please indicate if your church does not have a Woman's Missionary Union or missions program of any kind. If you do not have any type of missions program in your church but would like to receive information about mission opportunities or events, include the name and contact information of a person who is willing to receive this information.
3. A form to assist you in completing "Total WMU Enrollment" section and the "WMU membership and participation information for the Annual Church Profile" is on page 87 of the *WMU Year Book 2009-2010* or at www.missionsleader.com and click on the "Reporting Missions Involvement Form".
4. WMU of NC in cooperation with national WMU can provide up to six months of free curriculum for churches wanting to start a new organization. A new organization is defined as an organization in a church that has never had a missions organization or one that has not had the organization within the past two years. Contact Cara Lynn Vogel at 1-866-210-8602 ext 205 or cvogel@wmunc.org for more information.
5. Names of current leadership will be deleted and replaced with the new information provided.
6. Please contact WMU NC in writing, by email or by phone during the year if the persons serving in leadership change.
7. Make a copy of the completed form and send it to your associational office so they will have the information on file and can provide the associational WMU director/leadership team with current information for your church.
8. Return the completed original forms to **Woman's Missionary Union of NC, PO Box 18309, Raleigh, NC 27619-8309.**
